 SMALLFIELD PLACE

Exclusively Yours

From the moment you arrive at Smallfield Place, the house is your own.

While you are here, you and your guests will enjoy a completely private event, tailored to your own specific needs and requirements.

With seven sumptuously decorated bedrooms, Smallfield Place offers you the time and space to enjoy one of the greatest celebrations of your life with your favourite people.

Places of Worship

You may wish to exchange your vows at a place of worship and then hold your reception at Smallfield Place. We are in the heart of Surrey and there are many welcoming local choices, some of which are listed in the contacts section of this brochure.

Your Ceremony at Smallfield Place

You will remember your wedding ceremony forever. Our Crullings room, with its stunning fireplace and large leaded windows, provides a beautiful back drop to the most important part of your day. We are licensed for ceremonies with up to 60 guests and officiated by registrars from Leatherhead Register Office. We leave you to arrange the ceremony yourself at a time that best suits you.

Your Blessing at Smallfield Place

If you have already had a legal ceremony conducted elsewhere and wish to hold a blessing at Smallfield Place, then our gardens would provide a beautiful atmosphere in which to make your promises to each other.

Drinks

We know that your friends and family will be looking forward to toasting you on your big day, so we encourage you to bring your own drinks and we don't charge corkage. Your guests will have plenty of opportunity to discover the glorious gardens and soak up the historic atmosphere of our spacious reception rooms.

Dining

We understand that your wedding will be unique and so we have partnered with a choice of excellent caterers who between them provide a range of options, from outdoor BBQs to fine dining.

After the formality of your ceremony we know you will want to celebrate in style in the evening.

Our caterers are happy to continue serving your drinks while your guests party the night away. We can hire a dance floor on your behalf and we're happy to put you in touch with DJs and bands if you would like us to.

Parking Management

Smallfield Place is ideally located near to railway stations and Gatwick Airport. However, if your guests choose to arrive by car then we are able to assist with car parking management. Smallfield Place has a large area adjacent to the house where we can direct your guests to park.

Guests are welcome to leave cars overnight if they choose to leave by taxi.

Event Management

We only hold a limited number of weddings at Smallfield Place each year, so we have time to dedicate to ensuring that your day is all you would wish.

While the house is all yours for the weekend, members of our team will be available on the day before the wedding to liaise with caterers and other suppliers and will be there on the day itself to ensure everything runs smoothly for you and your guests.

Younger Guests

We are happy to recommend a friendly and reputable babysitting agency who can provide fully qualified nannies, as well as a fabulous children's entertainment company who can provide distraction and fun for younger guests.
